

COMPANY PROFILE

COMPANY OVERVIEW

Connecting Global Markets to Uganda with Reliability and Care.

Segvic Logistics Ltd is a Uganda-based logistics and freight company established to simplify the movement of cargo from international markets to Uganda. We support individuals, traders, SMEs, importers, exporters, online shoppers, and companies that need reliable cargo coordination, customs guidance, and delivery support.

Our work focuses on making international shipping easier, clearer, and more dependable. Whether a client is importing urgent goods by air, bulk cargo by sea, business stock from suppliers, or personal items from abroad, Segvic Logistics Ltd provides practical logistics support from origin to destination.

Global Connections
Access to major markets worldwide.

Reliable & Secure
We prioritize the safety and security of your cargo.

Timely Delivery
On-time solutions tailored to your needs.

Customer Focused
Personalized support every step of the way.

OUR COMMITMENT

We go beyond transportation. We build partnerships based on trust, communication and service excellence. Our goal is simple: to simplify logistics for you so you can focus on growing your business.

MISSION, VISION & CORE VALUES

MISSION

To simplify international cargo movement by providing reliable, transparent, and efficient logistics solutions from global markets to Uganda.

VISION

To become a trusted logistics partner for individuals, traders, and businesses importing and exporting goods across Uganda and the wider East African region.

CORE VALUES

RELIABILITY

We handle cargo coordination with commitment, consistency, and attention to client expectations.

TRANSPARENCY

We believe clients deserve clear information about their cargo, costs, documentation, and delivery process.

PROFESSIONALISM

We maintain a serious, organized, and respectful approach in every service we provide.

CUSTOMER CARE

We handle cargo coordination with commitment, consistency, and attention to client expectations.

EFFICIENCY

We aim to reduce delays, improve coordination, and make cargo movement as smooth as possible.

ACCOUNTABILITY

We take responsibility for the role we play in helping clients move goods safely and successfully.

WHAT WE DO

Complete cargo support from origin to destination

Segvic Logistics Ltd provides end-to-end logistics support for clients shipping goods from international markets to Uganda. Our role is to help clients plan, move, clear, handle, store, and distribute cargo through organized freight solutions.

We support cargo movement by air and sea, coordinate freight forwarding, assist with customs clearance, arrange cargo handling, provide warehousing support, and help with road freight and distribution within Uganda

Air & Sea Freight
We move your cargo by air or sea using trusted carrier partners

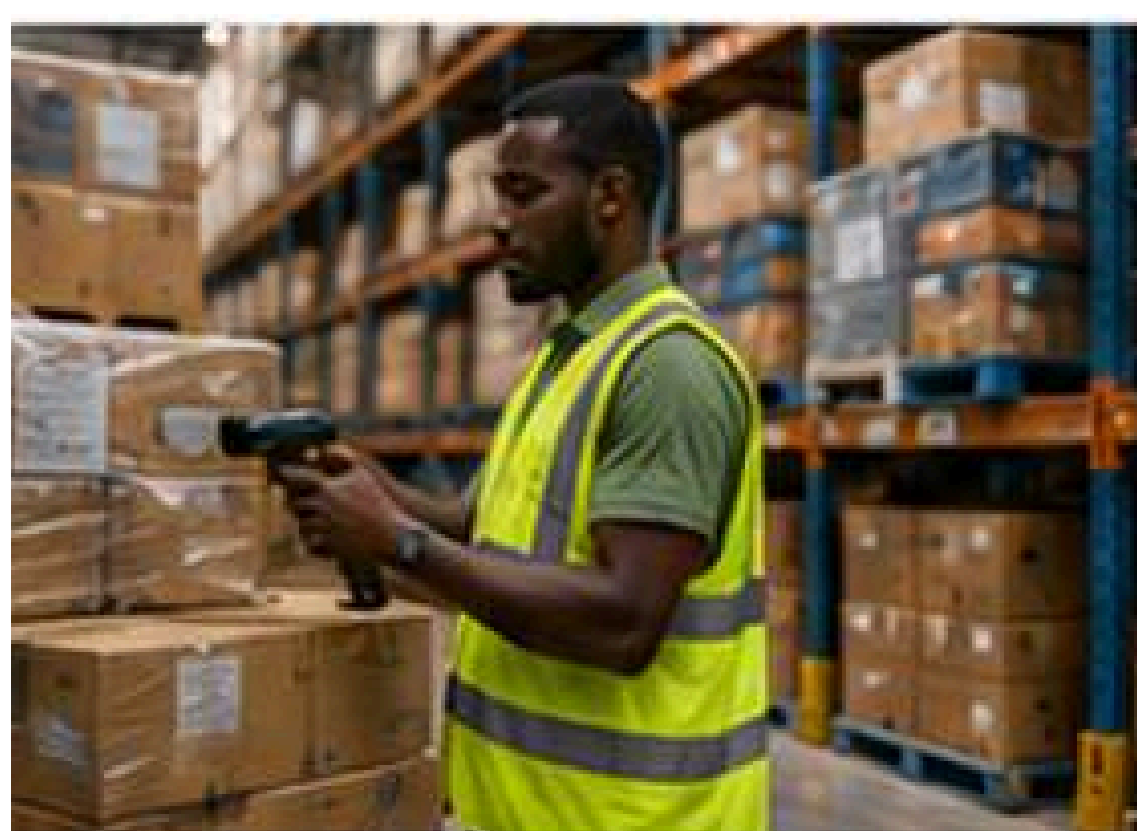

Customs Clearance
We handle documentation and ensure smooth clearance

Warehousing
Safe storage solutions with proper handling and inventory control.

Road Freight
Efficient transportation across Uganda with a reliable fleet network

Final Delivery
We deliver to your destination safely, on time and with care
